

Learning German at the VHS Upper Austria

We help with orientation. We help with organisation. We help with learning.

At the VHS Upper Austria you can attend German courses at levels A1 to C1. All courses are available as day courses and as evening courses. Our courses comply with the current legal regulations. A course with 75 teaching units costs € 540,00. You can receive funding (Province of Upper Austria, Chamber of Labor of Upper Austria - AK, Austrian Integration Fund) if you attend 75 % respectively 80 % of the course. Then you have to pay between € 162,00 and € 350,00 yourself.

If you are a member of the Chamber of Labor, you can still apply for the AK education bonus directly at the AK Upper Austria.

You will receive all important information about the funding opportunities at the free personal course consulting at the local VHS regional office.

Please make sure to bring your ID and registration form with you to the consulting session and make an appointment if possible!
